### About Carilion Franklin Memorial Hospital

At Carilion Franklin Memorial Hospital (CFMH), our team of healthcare professionals is trained to provide you quality, safe care and get you on the road to recovery. Our inpatient care providers diagnose and treat illnesses, anticipate problems, and rapidly respond to changes in patients' conditions. As a team, we serve and provide our patients with appropriate treatments, in an environment that is friendly and caring. Our list of services and specialties offers our community the opportunity to stay close to home for treatment and care planning. Through our emergency services, we are ready may the need arise. Should you have any additional questions or concerns, please feel free to ask any member of our team. CFMH is a community partner and dedicated to helping you on your wellness journey.
